

Dear **CG Fund Lebanon** Supporters,

The humanitarian catastrophe that is taking place in Gaza is truly staggering. CG Fund cannot turn a blind eye to what is happening there.

Working with its partner, [WingWoman Lebanon](#), CG Fund would like to ask for your help to provide reusable period products for women and diapers for babies in Gaza. This project would not only benefit the women and babies in Gaza but fits with CG Fund's mission to promote economic empowerment of women and youth in Lebanon. WingWoman "provides economic independence for women through livelihood support for reusable product manufacture" by hiring and training refugee and migrant women residing in Lebanon.

Here are ways that your contribution can help:

HOW MUCH WOULD YOU LIKE TO DONATE?

\$45 set of 3 reusable diapers and 12 towel inserts

\$15 pack of 8 reusable period pads
